SAN FRANCISCO VOTER INFORMATION FOR THE NOVEMBER 5, 2024 GENERAL ELECTION

This nonpartisan document was prepared as a community service by the San Francisco Chapter of Links, Incorporated

We have listed all San Francisco candidates and a brief summary of the San Francisco measures which will appear on the November ballot. If you are registered to vote, you will receive from the San Francisco Department of Elections a *Voter Information Pamphlet* & *Sample Ballot* which includes detailed information on each candidate, ballot measure, and the location where you may vote in person. We recommend that you carefully review these materials since it is the official document issued by the City.
